TransCanada

Make a difference with your career

At TransCanada we dream big, think big and do big things. We're a leader in the responsible development and reliable operation of North American energy infrastructure. For more than 65 years, we've been supplying safe, reliable and efficient energy to millions of North Americans with our pipelines, gas storage and power generation facilities.

We've created a company-wide culture of development and our employees work in a supportive, respectful and safe atmosphere. Our employees have ample opportunity to further their professional skills and enjoy a clear sense of achievement and reward. TransCanada's culture is built on our values of safety, integrity, responsibility and collaboration which guide our quest to make what we do matter.

TransCanada is an equal opportunity employer.
